Renogy 115W 12V bifacial solar panel delivers up to 30% more energy with dual-sided light capture, PERC monocrystalline cells, and durable weatherproof design

Designed to provide long-lasting durability and performance in the most extreme environmental conditions. The Xantrex Solar Max 115W, 115W Slim, 220W, 330W flex panels, feature solar panels ...

115 watt bifacial 12v monocrystalline solar panel. All these details were collected by hand and double-checked for accuracy. Occasionally our eyes go cross or we butterfinger a value, if you notice ...

Featuring premium Grade A+ monocrystalline solar cells, PERC technology, half-cut cells, 10 busbars, and bypass diode network, this monocrystalline solar panel ensures high solar cell efficiency and ...

115-WATT LEGACY SOLAR PANEL Our LEGACY SERIES 115-Watt Solar panel is perfect for all solar project applications. It is durable and can be mounted in any location with the Omni-Mount frame. ...

The Xantrex Solar Max flex panels, feature solar panels with a mesh grid-technology that provides superior durability and performance benefits. With approximately 2000 points of contact per cell, this ...

Low voltage-temperature coefficient enhances high-temperature operation. Exceptional low-light performance and high sensitivity to light across the entire solar spectrum. 25-Year limited warranty ...

Detailed profile including pictures, certification details and manufacturer PDF.
