What is a foldable storage bin?

These foldable storage bins have an open front and are made of high-quality material to ensure durability. They can hold up to 60 pounds. Our storage boxes offer incredible flexibility and can be used to store clothing, food, books, groceries, craft storage, or as closet and cabinet organizers.

Why should you choose a folding container?

Folding containers stand out as a practical accommodation option that can be quickly installed and lifted in earthquake zones, high refugee population, construction sites and many other areas. They easily provide shelter, healthcare and educational functions particularly during natural disasters, humane crisis periods.

What is a folding container?

Folding container varieties that can be manually installed are designed in detail as a system of interlocking components. The models which have folded size of 3.00 x 7.00 m length and 40 cm height or 2.40 x 6.00 m length and 40 cm height reach to 3.00 x 7.00 m length and 2.40 m height after installation.
