In a short time, we became the official representative of Huawei - one of the world's top five solar inverter manufacturers - in Armenia, and the exclusive licensed partner of the Russian company Soft ...

In collaboration with our Added Value Partner, Photomate Eurasia, and EPC contractor Power Energy, we've successfully contributed to the largest solar power plant in the Republic of Armenia ...

Founded in 2018, "Volta" has specialized in the field of solar energy and quickly gained the trust of customers and partners. We are now the official representative of Huawei, one of the world's top five ...

HUAWEI FusionSolar advocates green power generation and reduces carbon emissions. It provides smart PV solutions for residential, commercial, industrial, utility scale, energy storage systems, and ...

The Huawei SUN2000 110KTL M2 is a high efficiency 110kW three phase on grid solar inverter, ideal for commercial and industrial PV systems with multi MPPT design and IP66 protection.

This versatile inverter seamlessly converts direct current (DC) from a 40V source to alternating current (AC) at 220V, making it ideal for a wide range of applications.

As a result of Photomate cooperation with Ohm Energy, we are happy to present you the 6 MW solar farm project in Armenia. Watch the power of 50 pieces of Huawei FusionSolar SUN 2000-100KTL-M1 ...

Technological advancements are dramatically improving home solar storage and inverter performance while reducing costs. Next-generation battery management systems maintain optimal performance ...
