What is Huawei digital power Nepal?

12th March 2025, Kathmandu Huawei Digital Power Nepal, in collaboration with the Confederation of Nepalese Industries (CNI), organized a dialogue on solar photovoltaic (PV) and energy storage sustainability.

Why is Huawei launching Smart Energy Solutions in Nepal?

These advanced energy solutions are designed to help Nepali industries improve power reliability and reduce costs. Huawei also showcased its smart PV and ESS (Energy Storage System) solutions, which enhance safety and efficiency for commercial and industrial applications such as factories, shopping malls, and office buildings.

Why is Huawei launching a smart PV & ESS solution in Nepal?

Huawei also showcased its smart PV and ESS (Energy Storage System) solutions, which enhance safety and efficiency for commercial and industrial applications such as factories, shopping malls, and office buildings. The technology aims to reduce carbon emissions and support Nepal's transition to a cleaner, circular economy.

Can solar PV & energy storage solutions transform Nepal's energy sector?

The event took place at the Huawei Exhibition Center in Hattisar, Kathmandu, bringing together over 80 key stakeholders from Nepal's energy, business, and industrial sectors. This program served as a platform to explore the potential of solar PV and energy storage solutions in transforming Nepal's energy sector.

Exciting times ahead for Nepal's energy future! ?? Huawei Digital Power Nepal, in collaboration with the Confederation of Nepalese Industries (CNI),...

As the event drew to a close, it became clear that the collaboration between Huawei and industry leaders is essential in accelerating Nepal's transition to a sustainable, low-carbon future.

"At Huawei, we are committed to helping industries across Nepal achieve their energy goals through innovative digital power solutions. The integration of solar energy and energy storage ...

Speakers discussed the latest trends in solar PV and energy storage and their practical applications in Nepal. They highlighted how these solutions can help industries reduce energy costs, ...

Held at the Huawei Exhibition Center in Hattisar-01, Kathmandu, this exclusive gathering brought together over 100 influential stakeholders from Nepal's energy, commercial, and industrial ...
