A federal judge on Monday struck down President Trump's halt on approvals of all wind power projects on federal lands and waters, dealing a significant legal setback to the administration's ...

Trump has been hostile to renewable energy, particularly offshore wind, and prioritizes fossil fuels to produce electricity. Andrea Joy Campbell, the Massachusetts attorney general, hailed...

The Trump administration's decision to pause five offshore wind projects will have reverberating impacts on the nation's energy sector, according to experts in renewable energy.

Wind power or wind energy is a form of renewable energy that harnesses the power of the wind to generate electricity. It involves using wind turbines to convert the turning motion of ...

President Donald Trump halted permits for onshore and offshore wind projects on his first day in office. Judge Patti Saris of the U.S. District Court for the District of Massachusetts ruled that...

Less than a year after President Donald Trump banned new wind projects, a federal judge ruled the president's executive order was illegal.

President Donald Trump's ban on issuing new wind energy permits has been ruled "unlawful" by a US court.

Judge Patti Saris of the U.S. District Court for the District of Massachusetts vacated Trump's Jan. 20 executive order blocking wind energy projects and declared it unlawful.
