---

This solar panel offers one of the highest power outputs available, ensuring maximum energy generation for demanding projects. Moreover, its advanced cell technology efficiently converts sunlight into ...

Description Longi Solar Panel Hi-mo 7 Bifacial 590M Features: Based on ...

LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products.

Description Longi Solar Panel Hi-mo 7 Bifacial 590M Features: Based on M10 wafer, best choice for ultra-large power plants Cutting-edge technology delivers superior module power and efficiency ...

Specifications included in this datasheet are subject to change without notice. LONGi reserves the right of final interpretation.(20230811V19)DG.

The LR5-72HTH 590-600M by LONGi delivers 590-600W power, features single glass design, and ensures <1.5% first-year degradation.

The LonGi 590W Solar Panel, part of the Hi-MO 6 Scientist series (Model: LR5-72HTH), is designed to deliver the highest efficiency and outstanding performance. With a power range from 590W to 600W, ...

Part of Longi's groundbreaking Hi-MO X6 family, the 590W panel belongs to the exclusive "Scientist" series. Think of it as the brainiac cousin in a family of high achievers.
