Who is solar recruitment?

At Solar Recruitment, recruiting the right people for your business is our core purpose. As a boutique recruitment firm specializing in IT recruitment, Telecommunications recruitment, Finance and Administration recruitment; we have grown by providing high levels of service and integrity to both our clients and candidates.

What does a senior solar installer do?

A leading renewable energy firm in Nassau tasked us with sourcing a Senior Solar Installer to lead solar projects across the Caribbean. The role required experience in installing grid-tied, battery, and hybrid solar systems, along with team management and hands-on installation.

What does a certified solar installer do?

Certified in solar installation, the candidate excelled in site assessments, system commissioning, and mentoring junior technicians. Since joining, they've consistently delivered high-quality installations, enhanced team performance, and strengthened client relationships, supporting the firm's regional leadership in solar energy solutions.
