What can you put in a bay window cabinet?

One fantastic way to take advantage of this area is to install bay window cabinet storage - think along the lines of shelves or bookcases that are custom-fitted along the walls. You can use this space for storing books, magazines, or even decorative items like artwork.

Can you put cabinets on a windowed wall?

Most homeowners will avoid putting cabinets along any wall that has windows. But these beautiful bay window ideas show that you can add storage to a windowed wall, and make it look gorgeous! A bay window is a type of window that "juts out", allowing the homeowner to have a good view of the outside.

Can you add storage cabinets around a window?

Adding storage cabinets around a window lets you create a cozy and relaxing reading nook. This works great if you have a nice view of the outdoors, and have your books within easy reach. You can add more cabinetry under the window to create a bay window seat. You can even build all the way to the ceiling for extra storage.

How to decorate a bay window seat?

1. Window storage with bench seating This kind of bench seating area definitely adds charm to your home. The simple concept of a cozy and scenic bay window seat can be that of a place to sit and store stuff under the seats. You may also build shelves with cabinets to display decorative items or books.
